Strolling Valley Players

"STROLLERS" does it again! On January 22nd, at the Casa Community Center, the cast of "The Journey" performed for the Adult Day Care lunch crowd. Chuckles & giggles accompanied the cast as they traveled through the stratosphere on the "Break Wind Airways". Some unsuspecting & confused passengers have to contend with a haughty & wealthy dowager & a lost village idiot. All get to New York City safely, but chances are, they will never fly with this airline again!

The Cast:

Bill O'Brien as The Voice
Dee Wachowski as No-Habla-Espanol Alice
Diane Raddatz as the Prima Donna Dowager
Bob Sandberg as Get-me-off-this-plane Bob
Constance O'Brien as Narrator

A special thanks to Mike Gilbertson for toting our Strollers Stools around.

**Strolling Valley Players meet the first and third Sundays
@ Las Campanas from 12:30 to 2:30. Join us for fun.**
